VARSITY CHEERLEADERS

Captain - Jill Relation, Peggy Trombly, Martha Riley, Barb Goodsell, Lillian Deyo, Jolie Bechard, Marlene Reynolds

"Being a cheerleader is more than just getting out on the floor and performing assorted cheers. It is much more than that. It is hard work and the cheerleading squad hold a position of service and honor both to the school and the individual; only those students of good standing shall be eligible. As a cheerleader I would like to encourage any girl who is interested to try-out for this active sport, although at times trying, it has many rewards."

"The Chazy Central School baseball squad is full of anticipation and enthusiasn for the coming season. Only two starters were lost through graduation from last seasons' squad. They will be more than adaquately replaced by excellent freshmen candidates as well as a number of promising returns. This years' infield will experience some shuffling for better balance, with improved hitting and pitching we should break a .500 season," says Coach Brendler.
